“May the God of endurance and encouragement grant you to live in such harmony with one another, in accord with Christ Jesus.”

Romans 15:5

Haiti – On August 14th families in Haiti were hit by a massive 7.2 magnitude earthquake. And to make things worse, Tropical Storm Grace dumped heavy rains and caused flooding just days later.

Please join us in praying for the families who have lost loved ones, their homes, and their livelihoods in these devastating disasters.

Afghanistan – The violent conflict in Afghanistan has forced thousands of people out of their homes. Having run for their lives with little more than the clothes on their backs, they are in urgent need of help.

Please join us in praying for Afghanistan. Pray for those who are fleeing and leaving their homes. Pray for those who are facing increasingly violent and unstable political climate. And also pray for those who have lost loved ones, for those who are injured and afraid.

Pray that people would see God’s hands despite the devastating circumstances, that love and peace would prevail.

Ethiopia – Please continue to pray for the current chaotic situation in Ethiopia, especially in it’s northern province. War has broken out, hunger remains rampant, and COVID-19 continues to spread. The families in Ethiopia are deeply affected and in need of dire help. Pray for our local partners, the Terepeza Development

Association (TDA) and the Ethiopian Kale Heywet Church Development Commission (EKHCDC), as they carry out their responses and help the most vulnerable.

Please also pray for the food aid that many organizations, including Tearfund Canada, sent to the country. The ongoing conflict between the government and the rebel forces resulted in roads to be blocked. Pray that the food will be delivered to the people in the province swiftly and without any delays.

India – We praise God for the continued recovery of Ramesh, executive director of our local partner EFICOR, that had a tumor successfully removed from his brain.

Pray for EFICOR’s continuing response to the pandemic in India, as they reach out and help the most vulnerable in the region.

Lebanon – Continue to pray for Lebanon and the Syrian refugees as they continue to be affected by the unprecedented economic and financial crisis in the country. Pray for the families who are struggling to access even the most basic necessities. Pray that food aid and health services would be available for the people there.

Pray for our local partner, Medair, as they respond in the frontline of the disaster, and pray that God would protect and comfort the most vulnerable.

Liberia – Pray for our partner in Liberia, the Association of Evangelicals of Liberia (AEL), who have concerns about the second wave of COVID-19 that broke out about a month ago. The number of infected cases and deaths are rising at an alarming rate. Pray for AEL’s response, that God would give them the strength and resources to reach those who need help

Tearfund Latin America – Please pray for our partner in Colombia as they continue to support Venezuelan families living in extreme poverty. Pray especially for women who are desperately looking for ways to feed their children.

Also pray for churches that are taking care of Venezuelans affected by sexual-based violence, that God would bring them comfort and peace.
