

# Prayer Points

February 2022

Peace I leave with you; my peace I give to you. Not as the world gives do I give to you.  
Let not your hearts be troubled, neither let them be afraid.”

John 14:27

**First Nations Project** – Join us as we continue to celebrate and praise God for the successful return of the Buffalo to the Cote First Nation in Eastern Saskatchewan! On December 13, the Buffalo was transported and unloaded at the Cote First Nation reserve for the first time in over 150 years.

Continue to pray for Chief George Cote as God uses him for his community, and pray that this project may become a beacon of hope for the First Nations community, that healing and reconciliation would continue to happen.

**Ethiopia** – We praise God for what He has done in Ethiopia! The Phase 1 of our food distribution project in Tigray ended in success. Over 6,000 families received the help that they need, and we couldn’t have done it without your help! Continue to pray for us as we proceed with Phase 2, that God would continue to provide where help is needed the most.

**India** – Please pray for our partners EFICOR as they come to the end of a 6 year project which has helped hundreds of tribal families feed their families and take their first steps out of poverty. Praise God for the great work that has been accomplished and pray for leaders as they plan the next project in new communities.

**DR Congo** – Please pray for DR Congo, especially the province of North Kivu where violence and unrest is still rampant. Pray that the conflict would subside and that peace would reign over the land.

Pray also for our partner, the Community of Baptist Churches in Central Africa (CBCA), that God would guide them and give them the strength, as they design new projects for the community.

**Kenya** – Pray for the community of farmers in Kenya, as they cope with rainfall shortage and looming crop failure and loss. Pray for the rain to come, and that the crops would not wither and be wasted.

Pray also for our local partner, Fadhili Trust, as they implement their planned projects for this month. Pray for the families that benefit from those projects, that God’s continued protection and providence would be upon them.

**Tearfund Canada** – Pray for wisdom and success as we enter our foundation application season. Pray that we would follow God’s leading as we engage with foundations and donors in the coming weeks.
